	27.7%				17.2%				30.7%				

**Note**

The fighters were separated by 11 landed punches after twelve rounds, but each combatant reached their total in very different ways. Hitchins threw more jabs than power punches, and held a 98-22 edge in jabs landed. Lemos threw 325 more power punches than jabs, and held a 139-74 advantage in power punches landed. Lemos landed 64 body punches that accounted for 40% of his total landed punches and 46% of his landed power punches. After the first six rounds, Hitchins held a 84-66 lead in total punches landed. Over the second half of the fight, Lemos flipped the advantage, landing 95 punches in rounds 7-12 to 88 for Hitchins.
